Explore 'secret' Wales Snowdonia

Walking holiday specialist Upland Escapes focuses on off-the-beaten-track destinations, including the Mercantour in France and Slovenia's Julian Alps. New for its 2009 spring programme is Wales – which doesn't sound so different until you realise that the trips will be in the Rhinog Mountains. This "secret" corner of Snowdonia combines rocky wilderness and miles of sandy beach.

*From £100pp inc two nights' B&B accommodation, handbook of local information and self-guided walks, maps and 24hr phone support.
